

***From Los Angeles:***

Drive North on Angeles Crest Highway from the Foothill Freeway (I-210). Take Angeles Forest Highway to the turnoff to Mt. Gleason. (*see below*)

***From the San Fernando Valley:***

Take the Foothill Freeway to Sunland Blvd. Go left on Sunland Blvd. and it will become Foothill Blvd. Go to Oro Vista where you will make a left turn (there's a 7-11 on the Northeast Corner). Oro Vista curves and becomes Big Tujunga Canyon Road. This road will end at Angeles Forest Highway. Make a left and take Angeles Forest Highway to the turnoff to Mt. Gleason. (*see below*)

***From the Santa Clarita and Antelope Valleys:***

Take the 14 Freeway to Angeles Forest Highway. Drive toward the forest and turn right onto the Mt. Gleason turnoff. (*see below*)

***From the Mt Gleason Turnoff:***

Lightning Point is 11 miles away. Watch for a tricky fork in the road. Take the dirt road on the left with a sign pointing to Lightning Point. It is very short and well maintained. Pavement will return and you should go until you reach a "T" intersection. Make a left and follow the road to the Campground Entrance. We will be at Sites 1 & 2 inside the Campground.

***NOTE: As long as you keep your vehicle parked within the Campground, NO WILDERNESS ADVENTURE PASS IS NECESSARY.***
